

Onsite Photography & Videography Policy

Lajitas Golf Resort maintains a strict policy against the use of its hotel grounds (all interior spaces, exterior grounds, etc.) for unauthorized professional or commercial photography/videography purposes.

1. General Restrictions:

- **Authorized Photography/Videography:** Professional or commercial use of photography and videography on the resort's grounds (indoor and outdoor) is not allowed without Lajitas Management authorization, including for portraits, weddings, engagement, fashion shoots, advertising, etc. Public access may not be blocked or impeded.
- **Expulsion:** Unauthorized professionals or photo shoots will be asked to leave the premises immediately.

2. Permitted Photography/Videography:

- **Contracted Events:** Photography or videography for events like meetings or conventions can be allowed if it's for documentation and promotional purposes. The photographer must have an official event credential.
- **Engagements, Weddings and Receptions:** Only couples having their wedding or reception at Lajitas can arrange professional photography/videography onsite. Coordination with the Special Events Department is required to schedule and authorize the session. Public access may not be blocked or impeded.
- **Senior Photos, Graduation, Quinceañera and other Photoshoots:** Photography or videography for personal milestones may be allowed with advanced permission with the Special Events Manager or Lajitas Management. Non-resort guests may be charged a photography fee. Public access may not be blocked or impeded.
- **News Media:** News coverage must be prearranged through the Marketing or Public Relations department, and official press credentials are needed.

3. Personal Photography and Videography:

- Guests are encouraged to take personal photos and videos for non-commercial use, with restrictions on equipment. Professional gear like tripods and lighting setups are prohibited.
- Photos cannot be commercially exploited, reproduced, or distributed without written consent from the resort.

4. Event, Meeting, and Convention Photography:

- For events or meetings at Lajitas, photography/videography in public spaces needs prior approval and coordination with the Special Events Manager or similar staff.
- Professionals documenting the event must wear official event identification at all times.
- Event organizers are responsible for providing credentials to media, photographers, and their crews.

If you have any questions about the policy or need further details or permission, please email inquiry to: Special Events Department, Email: LajitasEventSales@lajitasgolfresort.com.
